Master of Arts in International Relations Examination – Semester III (2017/2018)

MAIR 7134: International Security

Duration: Two (02) Hours

Answer any Three (03) Questions.

1. Define 'Security' as explained by any two (02) International Relations theorists.

2. Answer **both** sections
 - i. Compare and contrast the broad and narrow definitions of Human Security.
 - ii. Citing a case study, write an essay on Freedom from Want and Freedom from Fear.

3. "Environmental Governance does not work at implementation". Analyze.

4. Answer **both** sections
 - i. What are the key distinctions between the Realists and Liberalists approaches to 'International Security'?
 - ii. Citing examples from the current security environment, analyze one of the above approaches.

5. Why is the New Security Agenda (NSA) relevant to understanding and responding to contemporary global security challenges? Discuss.

6. What are the challenges in implementing Cyber Security solutions as a response to the growing cyber vulnerabilities in civil and military sectors?
